

Hello Students,

Class Format

This is an **8-week accelerated course** that will officially begin on **Monday, October 20, 2025**, and conclude on **Sunday, December 14, 2025**.

Class Meetings

- 📍 Location: **RGC Room 1126**
- 💻 Format: **Lecture/Lab**
- 🕒 Schedule: **Monday & Wednesday, 8:30 AM – 11:50 AM**

Important Dates

- **First Day of Class:** Monday, October 20, 2025
- **Blackboard Access Available:** Wednesday, October 15, 2025

Expectations

Students are expected to:

- Stay on schedule
- Complete projects by the posted due dates
- Actively engage with course materials each week

Please ensure you have **consistent access to a reliable computer and internet connection** throughout the semester

Important Information for This Class

Mandatory Orientation Requirement

Once the Blackboard course becomes available, all students are required to complete the Mandatory Orientation Quiz, located in the **"Welcome – Start Here"** folder.

✅ This must be completed **by October 27, 2025**, to be officially counted as "Attending" and to gain access to all course content, including:

- Projects
- Exams and Quizzes

Please make sure to complete this as soon as possible to stay on track.

Make sure to complete the Mandatory Orientation Quiz—found in the "Welcome: Start Here" folder.

This folder contains the

- ✓ Welcome Message and Contact Information – Meet your instructor and learn how to get in touch
- 📅 Course Syllabus and Course Schedule
- 🎯 Learning Outcomes | Course Grading and Policies
- 📖 Course Textbook
- ✓ Self Introduction
- ✓ Orientation Quiz
- 🌐 Learning Community Guidelines | Technology Requirements & Skills | FAQs

Important Programming Tools

- ✓ Install Python
- 📄 Coding Styles

• Semester Projects

This folder contains the **Semester Projects** along with detailed project requirements and the start file.

• Semester Quizzes

This folder includes all **Semester Quizzes**. Check due dates and complete them on time.

• Semester Exams

This folder contains the **Semester Exams**. All exams are **open-book** and consist of **two sections**:

Section A: A written portion to be completed during class.

Includes short questions and code to be typed directly in BB using the BB editor.

Section B: A project component to be completed and submitted via **ACC email**.

Includes the Exam Project requirements and the project start file.

• Gradebook

Grades for all individual tasks are recorded here. Please check regularly for accuracy and notify me immediately if any grades are missing or appear incorrect.

Please don't hesitate to contact me if you have any questions, comments,
Ally
